VOL. LVIII.—No. 94. CITY OF KINGSTON, N. Y., TUESDAY EVENING, FEBRUARY 7, 1939. PRICE FOUR CENTS

Senator Wicks Is Acting Senate Majority Leader During Pitcher's Illness

Local Legislator Is Given Post as Recognition of Prominent Place He Holds at State Capital

Is Very Active

Senator Wicks in Addition to Committee Membership Also Authors Measures

State Senator Arthur H. Wicks of this city, who is representing the 25th state senatorial district for his 12th year, today was named acting majority leader of the Senate during the absence of Senator Perley A. Pitcher of Watertown, who is reported ill.

The appointment comes as recognition of the prominent place Senator Wicks has held at Albany, almost since the first year he went there in 1927. His prominence there has increased, however, since he is now in point of service, one of the older members of the upper state house.

In recognition of his knowledge of state affairs, due to his long period of service, Senator Wicks was named this year on several important committees. He is chairman of the public service committee and is a member of the important finance committee. He serves also on many other committees, and this year is his busiest since he entered the state legislature.

State Can't Form Marlborough Adult Classes This Term

Chief of Adult Education Board Says It's Shame, Too, but No Teachers on Relief; Cites Divine's Colonists

Albany, Feb. 7 (Special)—Plans for establishment of night classes for adult education in the Marlborough Central School by the State Education Department, with the use of WPA funds, have had to be abandoned "temporarily," it was revealed at Albany today by department officials.

Reason for the abandonment, according to a special dispatch which quotes William C. Smith, chief of the adult education bureau, lies in the fact that in order to obtain WPA funds for adult education work, the teachers hired for the purpose must be on relief, and in the department's search of Ulster and vicinity county, there have not been found any teachers so qualifying.

Although the state is apparently unable, at the present time, to go ahead with the Marlborough adult education program contemplated last fall, the town board can do so if it cares to use town funds for the purpose, Mr. Smith stated.

"There is a definite need for adult education in the vicinity of Marlborough and in numerous other areas in Ulster county, especially the region bordering the Hudson river," Mr. Smith asserted.

The influx of colonists to Father Divine's "Heaven," and the large number of apple pickers and other itinerant laborer to Ulster county, demands some measure of adult instruction in the county, Smith declared. He added that it is "with regret" that the state education department has had to postpone, for present at least, this instruction.

It was pointed out by Mr. Smith that according to the 1930 United States census, the population of Ulster county was 59,153, of which 1,947 were illiterate. This same census showed the population of Kingston to be 23,088, of which 264 were illiterate, leaving the greater portion of illiteracy in the rural areas of the county.

Cummings Hurt

Wild Bill of Indianapolis Fame Almost Drowns as Result of 'Soft Shoulder' Crash

Indianapolis, Feb. 7 (AP)—An ordinary highway accident put William C. (Wild Bill) Cummings, 32, of Indianapolis, nearer death today than ever before in years of automobile racing highlighted by his winning the 1934 500-mile race here.

His passenger car hit a soft shoulder near here last night, plunged through a rail guarding, a bridge approach and tumbled 50 feet into Lick creek, throwing him on his face into two feet of water. Passersby pulled him out unconscious and saved him from drowning.

He was in critical condition from possible brain concussion in a hospital today.

The handsome, dark-mustached Cummings, an automobile salesman, motorcyclist and airplane pilot off the race track, won the 1934 Memorial Day classic with the then record speed of 104.56 miles an hour. He has competed in several races here since.

Treasury Receipts

Washington, Feb. 7 (AP)—The position of the treasury February 4. Receipts \$25,208,936.95; expenditures \$22,020,650.33; net balance \$3,188,286.62, including \$2,433,854.25 working balance; customs receipts for the month \$2,378,942.25. Receipts for the fiscal year (since July 1) \$2,336,223,000.03; expenditures \$2,396,476,954.55, including \$1,806,149,364.01 of emergency expenditures; excess of expenditures \$2,050,213,645.52; gross debt \$29,695,743,888.73, an increase of \$2,593,252.20 above the previous day; gold assets \$14,706,074,054.81.

Amie Is Endorsed

Washington, Feb. 7 (AP)—Mayor La Guardia of New York strongly endorsed today President Roosevelt's nomination of Thomas R. Amie to be a member of the Interstate Commerce Commission. As a Senate Interstate Commerce committee continued hearings on Amie's appointment, La Guardia advised the group in a letter that he believed Amie "is a good American" and "is patriotic."

Leach Is Given 90-Day Sentence For Petit Larceny

Providence Man Pleads Guilty to Taking \$18 From Mrs. Harriet Palen on Deal for Waxed Paper

Royal B. Leach, 64, alias William M. Wilson, of Providence, R. I., was sentenced to 90 days in the county jail by Judge Matthew V. Cahill when he was arraigned in police court this morning on a charge of petit larceny, to which he pleaded guilty.

Last April, Leach, who then gave the name of Wilson, was in Kingston and called at the home of Mrs. Harriet Palen of 96 St. James street. He represented himself as connected with a large concern in Chicago, which manufactured waxed paper.

Leach told Mrs. Palen that she had been highly recommended to him, and he desired her to take the agency. He said he would leave two rolls of waxed paper with her for which she should pay him \$95. She refused. He gradually dropped the price to \$18, which she paid him.

Leach told her that when the boy paid her the \$95 she should deduct from that amount the \$18 she had paid him (Leach) and also \$5 commission for her trouble.

Leach then collected the \$18 from Mrs. Palen and gave her receipt for the money. That was the last she saw of him until he was arraigned in police court today.

Bergan Signs Land Orders for B.W.S.

Three Orders Affect Parcels in Lackawack Area; Funds Must Be Deposited

Justice Francis Bergan has signed three orders for possession of lands in the Lackawack reservation locality. Application for possession of property in Delaware Section No. 7 was made at special term last Friday.

Henry R. Bright appeared for the City of New York and Thomas J. Plunkett appeared for the property owners. The city sought to secure possession of the lands for use by paying to the owners of the lands the legal tender required by law pending determination of the value of the lands by a condemnation commission.

Under the law the city must deposit in some designated bank a percentage of the assessed valuation of the lands to be taken. When the commission awards damages the sum paid now is deducted from the final payment.

In the three applications made last week there was no opposition. The order directs that there be deposited in the Kernhonsen National Bank the sum of \$634 for parcel No. 1293, owned by Wilbur L. Martin and Elsie M. Tweed, for land in town of Wawarsing. This is based on the assessed valuation of the land to be taken. In claim No. 1300, Boris and Fannie Tartakoff, town of Wawarsing, the sum of \$1,000 will be deposited in the First National Bank of Ellenville and in claim No. 1305, the sum of \$1,334.50, is ordered deposited in the State of New York National Bank of Kingston to the credit of the owners.

End to Spanish War Appears Imminent

Premier Negrin and Supporters Are Reported in Diplomatic Circles to Be Considering Viewpoint They Must Yield — Azana Abandons All Appearances of Leadership of Republic

Perpignan, France, Feb. 7 (AP)—An end to the civil war which has paralyzed Spain and endangered the peace of Europe for 30 months appeared imminent today.

Dr. Juan Negrin, premier of government Spain, and his last die-hard supporters were reported in diplomatic circles to be swinging around to the view that they must yield.

President Manuel Azana abandoned all appearances of clinging to his post as chief executive of the republic. After coming to France Sunday and staying a day near the frontier he went to a French retreat at Collonges, close to Geneva.

Fighting in northern Spain appeared to be over.

Insurgent Generalissimo Francisco Franco checked the pace of his armies marching through the northeastern province of Catalonia toward the French frontiers while columns of defeated government troops and refugees withdrew into France.

Negrin was still in Spain this morning, but diplomatic sources said he was bending all his efforts toward orderly evacuation of his northern troops and the escape of refugees who had not yet crossed the border.

Ralph Stevenson, British minister to Spain, was said by informed diplomatic sources to have told Foreign Minister Julian Alvarez del Vayo that France and Britain believed further resistance in central Spain would be useless.

At the same time it was reported Franco had assured France that complete occupation of northern Catalonia would be delayed long enough to permit orderly evacuation of government soldiers and refugees across the border.

After the first negotiations broke down Saturday because of the Spanish government's demand for a plebiscite, diplomatic sources said the government had modified its demands and now was asking nothing except assurances that peace would bring no reprisals and would leave Spain independent.

The negotiations were surrounded by secrecy, but diplomatic circles expressed the belief that, regardless of the outcome, a long continuance of the war appeared impossible.

Against the sombre background of the tragic exodus of thousands of Spaniards into France, a sharp change in the Spanish political situation became apparent.

Negrin, with the support of army and labor leaders, had been reported over the week-end to be determined to transfer his government to central Spain and carry on the fight in the one-fourth of the country still in the hands of the government.

Now the leaders of the once powerful U. G. T. and C. N. T. trade unions and many army officers are among the refugees who have entered France.

Hours, or perhaps days, of lingering death for the government in the north remained in prospect before the situation would finally come to a head.

Dellay Is in Jail On Contempt Writ In Civil Action

Justice Schirick Signs Bench Warrant Which Leads to Arrest of Rosendale Man by Sheriff's Deputies

John Dellay, 52, of Rosendale, who sold several properties in the county to Father Divine, was in the county jail today on a contempt of court charge.

The charge is an outgrowth of a civil action tried in a local court and the bench warrant issued for his arrest was signed by Supreme Court Justice Harry E. Schirick. Dirk Eyckelhof was the judgment creditor named.

Dellay, who recently returned from New York, where he was named in a federal indictment in connection with the operation of an illicit liquor still, was brought to the county jail last night. He was still reported in jail at an early hour this afternoon, pending a hearing or arrangement of bail on the charge.

The warrant for his arrest was executed by Deputy Sheriffs Arthur Brown and Clayton Vredenburg.

River and Creek Are Icelocked

All Navigation Is Suspended and People Are Walking Across Rondout Today

With the Hudson river ice-locked no vessels are moving between Kingston and Albany to the north or to Newburgh or to Newburgh to the south. There is no ferry service between Kingston and Rhinebeck.

The ice in the Hudson river off Kingston Point is fully a foot thick, and in places much thicker. Off Newburgh the ice is reported to be fully two feet thick.

The Rondout creek is also ice-locked with no vessels moving. The snow that fell Monday night and this morning has laid a heavy mantle of white on the icefields in the creek.

The ice in the creek is so thick that men and boys were walking the creek on the ice today.

To Save His Skin
New York, Feb. 7 (AP)—"Big Harry" Schoenhaus, keeper of the late Dutch Schultz's racket accounts, acknowledged under cross-examination today that he turned state's evidence against Tammany district leader James J. Hines to "save his own skin."

Lloyd Paul Stryker, counsel for Schoenhaus' motives as the well-groomed gangster calmly admitted he had led a life of crime.

Students Cheer Teachers

Tampico, Mexico, Feb. 7 (AP)—Fourteen thousand students enthusiastically cheered their teachers who struck for higher wages. The students made speeches in Town Square, declaring the teachers who now get two to three pesos, 40 to 50 cents a day, earned less than peasants in the oil fields.

Italians Double Efforts

Rome, Feb. 7 (AP)—Premier Mussolini today ordered the redoubling of work on aviation factories at Fagnano and Parasignano, near Perugia.

Senate Would Revise Law

Albany, N. Y., Feb. 7 (AP)—Further revision of the capital gains and losses provisions of the personal income tax law would be provided in a series of bills passed by the state senate and sent to the assembly today in a move to eliminate "inequities." The bills, sponsored by Senator G. Tracey, written by the State Tax Commission, would permit a member of business partnership to charge off his share of the firm's capital losses to his own capital gains made outside the partnership. Today's bills supplement several amendments to the law passed last year.

Kentucky Asks Flood Aid, Fears Heavy Toll

Eastern Section Experiences 'Worst Flood in History of Mountains,' According to State Health Commissioner; 600 Families Are Forced to Quit Newport; Coast Guard Boats in Use

Cincinnati, Feb. 7 (AP)—Fearing a belated report of disaster in flood-stricken mountain areas, Kentucky called for assistance today as the crest of the Ohio river moved past this city.

Harassed by "flash" floods of small streams, Kentucky did not anticipate an emergency from the oncoming crest of the Ohio. Meteorologist J. L. Kendall at Louisville said the city had "this margin of safety" with a predicted high of 34 feet.

Homes along southern Indiana's border were abandoned.

Four boats and 54 men from Long Island, N. Y., coast guard stations were ready for orders to aid rescue work, and at Cleveland, Lieut. Commander E. Zoole said division stations had been issued stand-by orders.

The Red Cross estimated 10,000 families affected by floods in five states.

Carroll Pays \$900 Fines, Ross \$100; Goffredi Delays

Sums Are Paid in County Court for Violation of Gambling Laws; Ball Gets Counsel for Trial

James Carroll of West Hurley and Raymond Ross of Kingston, two of the defendants who were given until Monday to pay up fines imposed in county court by Judge Traver for violations of the gambling laws, paid their fines Monday.

Carroll paid up fines totaling \$900 and Ross paid a fine of \$100. In each instance the defendants have three months suspended jail sentences still pending.

Michael Goffredi, who also was fined a total of \$900, did not pay Monday and his time was extended until Wednesday. If the fine is not paid at that time he will serve one day in jail for each \$2 not paid. His suspended jail sentence of three months is also pending.

Both Goffredi and Carroll were fined on their pleas of guilty to possession of policy slips, in two indictments, and for keeping a betting establishment and also being common gamblers. On the two later charges the fines were \$300 each, while the possession of policy slip charges drew \$150 fines each.

Ledgard Ball, who was arraigned last week on a charge of abandonment, was present in court and Judge Traver assigned Fred Stang as defense counsel. Ball has pleaded not guilty.

There will be no more criminal work at this term and all jurors not engaged on a civil case on trial were excused for the term.

U. S. Will Frown Upon Investments

Administration Points Out Precedent for Policy Dates as Far Back as 1923

Washington, Feb. 7 (AP)—The administration will discourage any American investment, officials indicated today, in proposed Japanese corporations designed to develop industry, commerce and agriculture in China.

This attitude became known as the State Department released correspondence dating back to 1923 which showed such a policy previously had been followed. Officials said the government's attitude remains exactly the same.

(Recently intimations came from Tokyo that the development companies being formed there for the business improvement of China would be open to American and other foreign capital.)

One of the state department's old communications declared: "In the opinion of the department it is as a matter of general policy not desirable that American credit be placed at the disposal of foreign interests for investments or enterprises in third countries in cases in which the use of such American credit would tend to prejudice or circumscribe the opportunities for American enterprise or to further the organization of competition therewith."

The department said its attitude was not changed by the proposal that all or a portion of the loan would be spent in the United States.

Additional Appropriation Represents Figure Congress Cut From Recent Request for \$875,000,000

Fears Slashes

President Tells of 'Simple and Alarming Facts' in Relief Outlook

Washington, Feb. 7 (AP)—President Roosevelt told congress today an "emergency" exists in relief and asked "immediate consideration" of an additional appropriation of \$150,000,000 for WPA for the next five months.

The figure represents the cut congress made in his request for \$875,000,000 to carry WPA from February through June. The White House announced earlier today the President had signed the \$725,000,000 bill last Saturday.

In asking immediate consideration on what he termed the "simple and alarming facts" in the relief outlook, Mr. Roosevelt said in a message to congress that with only \$725,000,000 available, WPA either must reduce its rolls abruptly on April 1 by 1,000,000 persons or begin on that date a week-by-week reduction which by June 30 would drop employment from a present 3,000,000 to "a figure well below 1,500,000 persons."

"In other words," the President said, "the program of present employment would be slashed considerably more than one-half within a period of three months. If, however, proper reserves were maintained at the end of the fiscal year, employment at the end of June would drop still further—to a figure of only slightly more than 1,000,000 persons."

"Therefore, on a program of gradual reduction from 1,500,000 to 2,000,000 persons would be thrown out of Works Progress Administration employment—or, with the addition of those dependent on them, from 6,000,000 to 8,000,000 Americans would no longer receive federal government aid."

Discussing the prohibition written into the relief bill against reducing WPA rolls by more than five per cent during February and March, Mr. Roosevelt said: "The need for removing people in numbers far beyond that could be absorbed in industry, resulting in widespread want and distress."

Mr. Roosevelt said in his message that the "emergency" constituting an emergency were as follows:

1.—That the WPA rolls should be held at their present 3,000,000 through February and March to prevent undue suffering and to care for persons certified as in need but have not been given employment.

2.—That the \$725,000,000, if not supplemented, will require a "very drastic reduction" in the rolls starting April 1, which would result in removing people in numbers far beyond that could be absorbed in industry, resulting in widespread want and distress.

3.—The need for "orderly planning" of the relief program requires that the administrator should know by early March what funds will be at his disposal after April 1, and that due to the time required for congressional action, this can be brought about "only by my reporting to the congress on the situation at this time."

'Ask the Boys'

Commuters Protest Malodorous Mixture in Cars—'Ask the Boys Who Ride Stinky'

Ardsley, N. Y., Feb. 7 (AP)—Equipped with gas masks, commuters from this village boarded the 8:31 a. m. train here today in a protest against the use of a gasoline-motored combination engine-passenger car on the Putnam division of the New York Central Railroad.

The protesters also object to the coal stove which heats the car in winter time and which sends off such fumes, according to Warren Benedict, former Dobbs Ferry mayor and state head of the Modern Woodmen of America, that passengers are made sick by the trip to New York city daily. The demonstration came after 8 months verbal protests.

The commuters are got to the station early and stood on the platform showing a large sign which read: "Why go to France to be gassed? It does happen here. On the Putnam division. Ask the boys who ride the 'Stinky'."

Executive Group Presents Reports

(Continued from Page One)

since she took up her duties at the "Home" show her great efficiency. We extend our gratitude and appreciation to Mrs. Scholtz and to all the "Home staff" for their untiring and excellent services given to the children, and their interest in new methods that may improve and help develop the children when they become young men and women.

This past summer the children have had many new interests. Through the courtesy of the manager of Williams Lake, they were allowed to go swimming at the lake free of charge; one of the city parks had a class in nature study that the children attended; they had lessons in arts and crafts; tools were given them to work with and they had many auto rides, jokes and pictures. They have exchanged visits with the children of St. Anne's convent on Broadway and they living their friends home from school to play.

The T. T. T. Class of St. James Church gave the children a supper picnic on the "Home" grounds on July 9. They also sent donations throughout the year. Miss Lucy Berryman, a member of this class, has frequently made birthday cakes and decorated them most elaborately.

On August 17, Chief Murphy and the firemen, assisted by the wives, took the children, supervisors and managers to Orange Lake at Newburgh for their annual picnic. Luncheon was served as soon as we arrived and the rest of the day spent riding on the merry-go-round and playing around the lake. This is the day the children look forward to all the year. We extend our thanks to these kind friends.

September 11, the board of managers gave a card party at the "Home." The proceeds were used for draperies. It was a very successful affair and gave many people who had never been through the building and didn't know we

had such a wonderful institution an opportunity to see what was being done for the less fortunate children.

On each child's birthday this past year the different members of Masonic Lodge, No. 313, have taken a child to his home for supper and sent him back with a birthday cake and gifts.

Thanksgiving and Christmas were happy days for the children, made possible by many kind friends.

On Christmas morning when the members from Masonic Lodge, No. 313, made their annual visit and presented each child with a gift, the children entertained them with a play, songs and recitations. The Home had a truly Christmas atmosphere with all its Yuletide decorations of holly, a large Christmas tree in the dining room, with smaller trees on each table and a tree for each play room.

During the holiday season there were many entertainments to which the children were invited and they also took part in some of them. We thank everyone who contributed in any way toward making the children so happy at this time.

In closing the year we wish to thank the staff of physicians, dentists, specialists and optometrists who have given their services so willingly.

We thank the kind friends throughout the city and county for their gifts of canned fruit, vegetables, jellies and jams, the Bunnwater Ice Co., which for 25 years has furnished all our ice of charge; the Rotary Club for the fire works for July 4 and their generous check at Christmas, also the cooperation of the Kingston City and Benedictine hospitals, city laboratory, the merchants, press, schools, churches, lodges, clubs and all other organizations for their generous support.

Will not each one who reads this report visit the "Home" and see personally what it is doing, what are its needs, and then lend a hand in any and every way possible to uphold the work and widen its usefulness.

Respectfully submitted,
GRACE H. HERNZOG,
President.

Superintendent's Report

Our 25 children are with us through circumstances created by their parents and not through any fault of their own. They are cut off from the normal love responses of their people and it is our earnest desire to give them the best possible substitute to fill their lives with the sunshine of love.

That the development of the various ages of children entrusted to our care may be as normal as possible, various changes had to be made in our mode of living. We are endeavoring to depart from the institutional atmosphere and to make the place not only a Home, but a strong educational factor in the lives of our boys and girls. The new library invites a search for book knowledge and regular library study hours. Group singing, rhythm bands, arts and crafts, tap dancing, piano lessons, moving picture shows, all made possible through the help of understanding friends, open up a wider horizon. Each dining room table, headed by a staff member, makes eating an hour of conversation and closer family union. An experimental kitchen for boys and girls will prepare the children for campfire cooking. At twilight, just before supper, groups of six are hearing Bible stories in the big, comfortable chairs of the living room. Discussions are enticed by questions like this: "Just where does the story of Creation fit into life?" Sometimes results show immediately in better report cards. Six boys were rewarded for being neither absent nor tardy; three boys and two girls received letters for scholarship, money rewards are given for "A" in both conduct and effort. We are using only self-earned spending money and our pocket money goes into the schoolbank and for church contributions.

Out of our entire group of 25

children, 15 are brothers and sisters. They play together, eat at the same table, and have a very strong feeling of "belonging."

With a desire to let the children experience normal social contact in the community we have made good use of the city's recreation facilities in parks and on playgrounds. In the groups we "belong" to the "Schwenk Club," the Boy Scouts, the Y. W. C. A. Bluebirds, the N. Y. A. groups at the city auditorium. The children visit freely away from home, and little school friends drop in here frequently and often share our special parties. It is our ambition to have the parents visit as often as possible to help the child toward better adjustment in the home, and to keep alive the contact between the child and his mother to whom he must eventually return.

Our little hospital made it possible to isolate three whooping cough cases so that they remained the only three. We have introduced and maintained a high standard children's diet; children's weights are carefully checked each month; complete health records are kept; and the untiring efforts of our medical and dental staff are a constant source of inspiration and encouragement to the administration.

Surely, the children are safe and happy at the Industrial Home, and the tender care and Christian training will prove its value in their later lives.

Respectfully submitted,
MARGARET SCHOLTZ,
Superintendent.

Dr. Krom's Report

January 28, 1939

To the President, Board of Managers and Trustees of the Industrial Home, of Kingston, N. Y.

Of necessity this report will cover in some respects only the last six months of 1938. With a wide change in personnel, and the institution of numerous improvements of administration since July 1, 1938, I hope to be able to demonstrate a considerable accomplishment for the latter half of the past year.

Report on state of nutrition

July 1, 1938 to January 1, 1939:
July 1, 1938—Eleven children underweight. Total 62½ pounds.
January 1, 1939—Five children underweight. Total 17½ pounds.

January 1, 1939—Five previously underweight children show gain above normal. Total 13½ pounds.

January 1, 1939—Children of normal weight or better July 1, 1938 showed: 16 children gained. Total 43½ pounds. One child lost. Total ½ pound. One child no gain, only 3 months in Home.

No underweight child failed to show a gain.

It is apparent that the adequacy of the general diet is above question. In the more pronounced cases the staff has fortified the menu by means of increased food intake, the correcting of idiosyncrasies of appetite of several individuals and the employment of tonics.

Over the course of the past six months, important changes have transpired which do not lend themselves readily to tabulation. Foremost is a general improvement in the morale of the children, they are much happier, exhibit a keener interest in everything and are developing definite personalities.

Inspection of the school records reveals a better than average proficiency with what is more important, a general improvement, and in some instances with an improvement which is almost unbelievable.

The explanation for these changes requires no great erudition—the children are being treated as individuals.

Inspection of the sanitation of the plant reveals little for criticism. The kitchen and dining-rooms show a high degree of cleanliness. Sleeping accommodations are adequate as to ventilation and air in an orderly condition. It would add greatly to the hygiene if the bathroom facilities could be increased thereby eliminating congestion. The superintendent can give you more specific information as to recommended changes. A word concerning the improvements to the infirmary is not amiss, the establishment of the examining room is to be highly commended and the general re-arrangement adds greatly to efficiency.

May I take this opportunity to express my thanks to the board of managers, the superintendent and her staff and my colleagues for their wholehearted co-operation?

Respectfully submitted,
JOHN E. KROM, M.D.

ANDREWS TAKES SON BACK TO SCHOOL

Wage-hour Administrator Elmer Andrews (right), took time out from his duties at Washington, D. C., to accompany 16-year-old son, William (left), back to school at the University of Pennsylvania in Philadelphia. Reported "missing" from school last week, young Andrews was surprised that his absence caused concern. He joined his family in Washington after a plea to "call his father" had been sent out. He had been visiting friends, job-hunting.

C. W. Feigenspan Dies
Rumson, N. J., Feb. 7 (AP)—Christian W. Feigenspan, wealthy New York brewer and sportsman who had been confined to his home for three months by illness, died at the age of 62. During the 14 years of national prohibition Feigenspan would not permit the turning off of his huge P. O. N. (Pride of Newark) electric sign atop the C. W. Feigenspan Brewing Company plant in Newark. He was president of the company founded by his father, also Christian Feigenspan. The elder brewer died in 1899, eleven years after his son completed studies at Cornell University and became established in the beer manufacturing business.

There Are Two Ways to Get at Constipation

Yes, and only two ways—before and after it happens! Instead of enduring those dull, tired, headache days and then having to take an emergency medicine—why not KEEP regular with Kellogg's All-Bran? You can, if your constipation is the kind millions have—due to the lack of "bran" in modern diets. For All-Bran goes right to the cause of this trouble by supplying the "bulk" you need. Eat this toasted nutritious cereal every day—with milk, cream, or baked into muffins—drink plenty of water, and see if your life isn't a whole lot brighter! Made by Kellogg's in Battle Creek. Sold by every grocer.

Pope Suffers From Influenza

Vatican City, Feb. 7 (AP)—Pope Pius XI was said by a Vatican news service today to have been stricken with a mild attack of influenza which aggravated his chronic asthma and compelled him to "take all precautions."

Vatican circles said the pontiff was running a temperature of 99.5 degrees.

This was the second time in three months that he was forced to suspend his activities because of illness, but his staff did not summon cardinals who usually

Every Sufferer From CONSTIPATION Wants These 5 Things

1. They contain no harsh drugs. Being purely vegetable, Dr. Edwards' Olive Tablets are harmless.
 2. They assure a mild yet thorough cleansing without griping.
 3. Olive Tablets ALSO (important) stimulate liver bile flow to help digest fatty foods and tone up intestinal muscular action.
 4. Pleasant tasting. Easy to swallow.
 5. Economical. Only 15¢, 30¢, 60¢.
- For over 20 years Dr. F. M. Edwards successfully treated scores of his patients with Olive Tablets. Their fame soon spread and today they are sold and heartily recommended by druggists everywhere.

Trooper Explains Traffic Hazards

Today's complicated traffic control problem, the whys and wherefores of traffic accidents and how they may be prevented and the work the State Police are doing to make highways safe for both drivers and pedestrians, was the subject of a talk by Corporal W. E. Cadwell of the State Police at a meeting of the Grand Jurors Association of Ulster County, Monday night.

Local Police Ask Who Knows Victor Herold

The Kingston police department received word last night that Paul Herold had died Monday in the city hospital in Newark, N. J., and asking that his brother, Victor Herold, be located and notified.

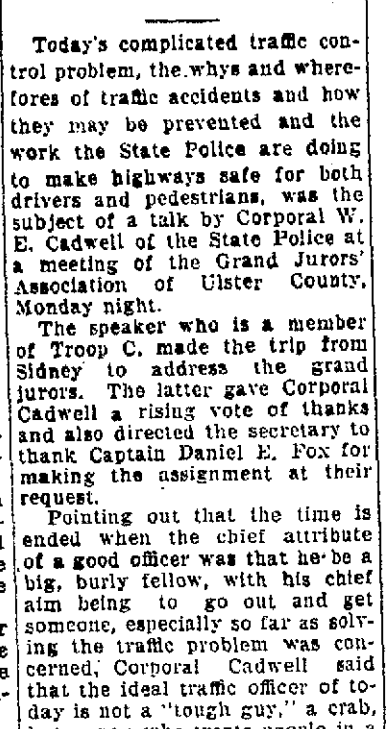

The only Herold family in Kingston is that of Louis W. Herold of East Strand. Mr. Herold was gotten in touch with by the police and stated he knew no one of the name of Victor Herold.

If anyone knows of a Victor Herold he is asked to call police headquarters and word will be forwarded to the Newark authorities.

Class to Meet

The Rev. Dr. C. J. Potter, president of the Classis of Ulster, has called a special meeting of Classis for Monday, February 13, at the Fair Street Reformed Church, to act upon the application of the Church of the Comforter for dissolution of pastoral relations between the Rev. C. J. P. Muekens and the church.

Waiting for a Twin

Born at 3:26 a. m., February 5, little James Charles McDonnell was more than 36 hours old when his mother got her first glimpse of him and this picture was taken with dad, Milo C. McDonnell, of a Kansas City bookkeeper. Doctors and X-rays are predicting another arrival. The McDonnells have names selected already for either a boy or girl twin for James.

average driver, when faced by an emergency stop, took around three-fourths of a second to take his foot off the accelerator and apply the brake. In that time, at 60 miles per hour, his car had gone 88 feet, to which must be added a further distance before his car comes to a stop. At even 20 miles per hour the reaction distance is 22 feet.

Drivers were asked to go out on the road with the intention of becoming more skillful drivers, to use their heads and to endeavor to co-operate with the state police in an attempt to make the roads safe for everybody.

Corporal Cadwell referred to the numerous accidents that resulted from turning into and out of gas stations, without stopping to look to see whether someone was coming, and of making a turn without giving a warning signal of any kind; another major cause of accidents was said to be failure to keep to the right side of the road.

As showing the need of co-operation on the part of the public the speaker told of the work done by the troopers of Troop C, which covers nine counties and 7,300 square miles of territory. To handle this work they have 113 men and of these about 78 are available for the work of covering the territory generally.

A comprehensive report system demands a large office force and in addition 13 men have been detailed to handle felony work as members of the Bureau of Criminal Investigation.

At the business meeting presided over by Corporal Cadwell's talk, President Van Itteke named a nominating committee. The members are: Walter Margraff, Highland, R. D.; Herman Roth, Saugerties; John Rice, Kingston; Blaine Wright, Nanaucho.

It was also voted to hold another stag party, similar to the one held at Cuneo's a year ago. The same committee will have charge and it will be held in the near future.

Vice Probe Sifts Highway Boards, Justices of Peace

Goshen, N. Y., Feb. 7 (AP)—Special Prosecutor Raymond P. Whearty indicated today a probe of affairs of the city of Newburgh and Orange county also would include county and town highway departments and justices of the peace.

Questioning prospective jurors called for service on an extraordinary grand jury ordered by Governor Lehman to conduct the investigation, Whearty asked two of them if they could hear "embarrassing testimony" about their own departments.

The prosecutor asked the questions of Frank S. Green, a justice of the peace, and William P. McLaughlin, a town road superintendent. Both replied in the affirmative and were accepted for service.

Ten persons were accepted for the jury yesterday. Presiding Justice Ely W. Peonius excusing three who were challenged by Whearty on the ground their "frame of mind" would not permit them to act impartially.

The investigation was ordered by Governor Lehman after a federal grand jury indicted 45 persons for alleged illicit liquor actions for alleged widespread corruption in city and county affairs.

Clove Residence Burns

The residence of James Murray, near the entrance to The Clove road at Centerville, was damaged by fire Sunday afternoon. Mr. Murray notified the Saugerties police that while he and his wife were away from home some one had broken into the house and set it on fire. The Centerville Fire Department fought the fire, which did considerable damage to the house and contents. Saturday afternoon the dwelling house of Elliott Fatum at Centerville was damaged by a chimney fire which did considerable damage to the roof. Before it was brought under control by the Centerville Fire Department.

Sabotage Is Suspected

New York, Feb. 7 (AP)—Thousands of subway and "el" riders were delayed at the height of the morning rush hour today when an apparently concerted campaign to cripple service throughout the interborough Rapid Transit system developed shortly after 8 a. m. The interruptions were caused by the pulling of emergency cords. Officials of the line said they suspected some of the offenders were discharged employees who had been scheduled for replacement tonight, after a court fight, by workers with longer seniority records.

WLW Must Cut Power

Washington, Feb. 7 (AP)—The communications commission said today it would announce shortly the date when WLW, the nation's most powerful broadcast station, must cease sending on its superpower. The commission declined yesterday to renew the authorization under which the Crosley Corporation's station at Cincinnati, Ohio, has been operating at 500 kilowatts since 1934. Its strength will revert to 50 kilowatts, the power used by the next strongest stations.

Daladier Wins Victories

Paris, Feb. 7 (AP)—Premier Daladier won a victory in the chamber of deputies today by defeating a socialist proposal to grant a blanket amnesty to all workers who participated in the general strike of November 11. The vote was 334 to 260.

Youth Stranded Here Sent on Way

Ronald Hawkins, 12, of New York city, approached Officer Wesley Cramer Monday evening and told him that he had been stranded in the city without funds. The youth told the officer that he had left his home in New York to visit his aunt of Binghamton. At police headquarters the boy repeated his story and was sent to the Volunteers of America where he spent the night. This morning Lieutenant James V. Simpson made arrangements to have the boy sent on to Binghamton and he resumed his interrupted journey later in the morning.

Two Runaway Boys Are Caught Here

Monday night the police department received a teletype message that Devine Caunitz, 16, of this city, and Robert Mercier, 14, of Albany, had run away from the Warwick State Training School and were thought headed for Kingston.

The two boys were picked up by the police this morning and held at the city hall until officers from the state school arrived and took the boys back.

Traffic Snarls As Snow Falls

Slippery roads following the snowfall last night made roads treacherous this morning and many cars and trucks had difficulty on the hills.

Report to the sheriff's office that 9-W was blocked by stalled cars was investigated by Deputy Sheriff's Brown and Winne. They helped straighten difficulties on Sleighsborough hill and then went on to the Col. Payne hill, where some 200 cars and trailers are said to have been stalled. The county highway department sent sanding trucks to the scene and after the hill had been sanded the cars were able to go on their way.

Held for Abandonment

John B. Carravatta, 43, a construction engineer, who gave his address at Highland R. D., was arrested this morning by Troopers and Reynolds, and Fordham, of the B. C. II on a charge of abandonment. He was held at the Ulster county jail pending arraignment before Justice S. J. Jackson, of the domestic relations court, New York city.

Manager and Owner of Kate Smith's Celtics Say League Leaders Are Not Going to Hipp

The Kingston Colonials will finish their American League season at the municipal auditorium, contrary to rumors that the potential champions might skip down to the Hippodrome.

Announcement to the effect that Barney Sedran will not move out on his local supporters was made this morning by none other than the little veteran of the case sport and Ted Collins, Kate Smith's manager, who has an interest in the team.

Sedran said, "We are not pulling out of Kingston to finish the American League season at the Hippodrome."

Here's Ted Collins' quotation, word for word:

"We are very highly pleased with the success of our season thus far. Without any question at all, the Colonials will finish their season representing Kingston in the American League."

Collins also added the Green and White flashes, who look like the league champions right now, are playing exhibition games booked at Kate Smith's Kingston Colonials.

Local basketball fans, who had the flitters because of a metropolitan columnist's tip that Mike Jacobs was preparing the New York Hippodrome for Kate Smith's Celtics, will welcome the words of Sedran and Collins.

It is understood that Collins and Sedran were as much upset by the "flash" in the New York press as the Kingston fans, knowing that the followers of their league leaders would feel unkindly toward them if a move were made to take the club to New York.

Tomorrow the Colonials play the Brooklyn Visitation at the auditorium.

Favored Net Entrants

Advance in Tourney

Chicago, Feb. 7 (AP)—All players in the western indoor tennis tournament take a rest tonight and resume competition Wednesday when women's single matches will be added to the schedule.

Favored entrants advanced last night. Sol Goud, Chicago, fell before Bobby Riggs, Solomon, Chicago, lost to Frank Froehling, northwestern University, 6-0, 6-2.

Riggs, the country's first ranking amateur, and Froehling are heavy favorites to meet in the men's singles final.

Pittsburgh—Andre Jessurun, 149, New York, outpointed Pete Durazza, 156, Westchester, N. Y., (10).

Chicago—Ken Overlin, 161½, Decatur, Ill., outpointed Al Quail, 163½, Pittsburgh, (10).

Albany Sports Show Feb. 20, Contests Open to Kingstonians

New York state as an all-year recreational grounds and outdoor life will be the major themes of a Sportsmen's Show to be presented the week of February 20 in the 10th Infantry Armory, Albany.

Albany's auspices of the Albany Wild Life League. Announcement reached Kingston from the league today together with an open invitation to Kingston and Ulster county anglers and hunters to compete in the scores of contests being arranged.

Entries may be filed with the league secretary, George F. Wagner, Room 513, 90 State street, Albany, or with Leo Piers, show manager, at the same address.

No entry fees will be charged. There will be a small charge for bait casting, archery, gun and pistol matches, archery and all branch.

Local groups and organizations will be permitted to enter, also without fee, in the league hopes to attract a large attendance.

will provide exhibits of their sportsmen expected to participate in various amateur contests. Max Piers will round out daily programs with his own company of professional entertainers. He will include elaborate exhibits covering every phase of outdoor life and sports.

Crews of Adirondack guides and lumberjacks will test their skill against others from Nova Scotia and the far north. A company of New York state Indians will pitch camp in the big armory drill shed to participate in the sports. Eskimos with huskie teams will be another attraction.

The show is scheduled to open February 20th for a full week, afternoons and evenings, the first of its kind ever attempted in Albany or further upstate than New York city.

Besides Secretary Wagner, the league officers are: Harvey George, president; George J. Hewitt, vice president; and Kenneth J. Shepard, treasurer. Wares with company of

Dartball Scores And the Schedule

The following is the results and standings of the clubs in the Federation of Men's Clubs Dartball League ending with February 4:

The results of the games played during the past week are:

Wurts Street Baptist 3, Woodstock 0.
Saugerties-Ulster 3, Glenford 0.
Albany Avenue Baptist 3, Trinity M. E. 0.
Clinton Avenue 2, Fair Street 1.

Trinity Lutheran 3, St. James 0.
Port Ewen 2, Comforter 1.
First Presbyterian 2, Hurley 1.

The games scheduled to be played during the week beginning February 6 are as follows. These are the final games to determine who plays in the championships on February 24:

Wurts Street Baptist vs. Hurley at Wurts Street Baptist.
Glenford vs. Woodstock at Woodstock.
Albany Avenue Baptist vs. Saugerties-Ulster at Albany Avenue Baptist.
Congregational vs. Trinity M. E. at Congregational, Monday night.
St. James vs. Clinton Avenue at St. James.

Comforter vs. Trinity Lutheran at Trinity Lutheran.
First Presbyterian vs. Port Ewen at First Presbyterian.
The standings of the clubs to date are as follows:

	W	L	Pct.
Port Ewen	7	12	.692
Congregational	25	14	.641
Saug-Ulster	25	11	.641
Trin. Lutheran	25	14	.641
Albany Ave. Baptist	24	15	.615
Wurts St. Baptist	24	15	.615

Glenford	19	20	.486
Hurley	19	20	.486
St. James	18	23	.438
Comforter	18	23	.438
Fair Street	17	25	.404
Clinton Ave.	14	25	.358
Woodstock	13	26	.332
Trinity M. E.	10	29	.256

There are just three games (1 set) to be played by each club except Fair Street, which is finished, and there are only two games between the first place team and the three tied for second place, and only one game behind them are two more clubs. So this week's games will juggle the standings all around and may produce a play-off for second place.

Interfraternal Games Tonight

The Interfraternal Tournament League will resume play tonight at the Vets' Dugout. Dartball and ping-pong are the games scheduled. With two-thirds of the course already run the Knights of Columbus and the Elks are neck and neck in the race for first place, in both the dartball and ping-pong leagues. Tonight's matches will get underway promptly at 8:30 o'clock. Refreshments will be served following the games.

Wednesday's National Division match will feature the Baltz Five vs. the Leonards in the preliminary at the municipal auditorium.

No Difference For Gene Sarazen

Clearwater, Fla., Feb. 7 (AP)—Now that his golf game is tuned for competitive play again, Gene Sarazen stepped today into the medal play match play controversy.

"I can beat 'em either way, hole-by-hole or add-'em-up," remarked the cocky little scrapper who never has ducked a verbal argument any more than he had turned down a links challenge.

The man-to-man play in the annual Professional Golfers' Association championship is perfectly satisfactory to Gene, taking final workouts here before joining the winter tournament swing.

"A master can win at either match or medal play," he declared. "The fellows in my class—Walter Hagen, Bobby Jones and myself—always could win just as many tournaments at match play as medal."

Jacobs After Conn and Bettina

New York, Feb. 7 (AP)—World title fights in the middleweight and light heavyweight divisions involving Billy Conn and Fred Apostoli who meet in a 15-round non-championship bout at Madison Square Garden Friday night are being planned by Promoter Mike Jacobs of the 20th Century Sporting Club.

Melio Bettina of Beacon, N. Y., recognized here as the light heavyweight champion after knocking out Tiger Jack Fox will defend his laurels against Conn if Jacobs can bring the pair to New York.

New York State Athletic Commission as the middleweight champion, probably will be matched with Solly Krieger, of Brooklyn, recognized as champion by the National Boxing Association.

Georgetown Is Threat to Carnegie

New York, Feb. 7 (AP)—Georgetown, a rather uncertain quantity before the start of the Eastern Intercollegiate Conference basketball season, now looks like the strongest threat to Carnegie Tech's supremacy.

Out of conference competition since mid-January, the Hoyas picked up where they left off last night by trimming West Virginia's dangerous outfit 40 to 32. The Hoyas have won three out of four conference games, as compared to Carnegie's four and one record, and in and out of the circuit they have rolled up eight victories to four defeats.

Pittsburgh, Carnegie's lone conqueror in the circuit, slipped back to third place with two victories and one defeat, but has about an even chance at the championship.

Pitt has its chance to catch up tomorrow when it plays Penn State. Both challenging outfits go into action Saturday, Pitt against Temple and Georgetown against Penn State, and those games give them chances to tie for the lead. Carnegie plays only non-conference rivals this week.

Harvard, still a contender for Dartmouth's top post in the Eastern Intercollegiate League, plays its first game in two weeks tonight, taking on Northeastern in a tune-up test for Saturday's meeting with Dartmouth. George Washington's intersectional tilt with Western Reserve is the only other high spot on tonight's card.

As the East's representative, Brown last night whipped Duke 41 to 33.

Dodgers Have Fast Outfield

Hot Springs, Ark., Feb. 7 (AP)—Any lurking suspicions that the Brooklyn Dodgers are decrepit were dispelled today by Coach Charley Dressen.

"Say," he said, "we've got an outfield that can outrun and outthrow any other regular outfield in the National League."

Dressen, Outfielder Tuck Stainback and Infielder Harry Lavagetto are here for 10 days of conditioning before Manager Leo Durocher and Dodger pitchers and catchers arrive.

"We've got Stainback, Ernie Coy and Gene Moore. You can't find a more capable bunch of chasers in the league. Of course, we've got some veterans on the club, but the young men are going to do the playing," Dressen added.

Dressen, who managed the Nashville Southern Association Club last year and who was with Cincinnati three years as pilot, is supervising conditioning work for Lavagetto and Stainback.

Team captains of the Colonial Women's League voted at a recent meeting to adopt the Shaughnessy system of playoffs to be used by the City League keglers.

Under this system, the first six teams in the league standings at the end of the first round of play roll each other in a round robin. The low four teams also meet each other once more.

President Adelaide Gilbert consented this arrangement to serve to maintain interest until the end of the schedule, and at the same time keep the schedule within the bowling season.

"I like their passing and teamwork," the expert added. "The White Eagles tangle with the Cornwell Big Five at their Delaware avenue court tonight. Max Schmeling is puzzling the big town of New York. All he does is go to the movies and play cards in his hotel suite. The official program of the Bettina-Fox 'championship' fight the other night featured a picture of John Lewis with the title 'Light-heavyweight champion of the world.'"

This is great news for the basketball fans: The Colonials, despite rumors to the contrary, will finish the American League season at the auditorium. Barney Sedran, manager of the team, and Ted Collins, Kate Smith's manager, have announced that the team will play its home games at the municipal auditorium. The Golden Celtics, who look like the league champions right now, are playing exhibition games booked at Kate Smith's Kingston Colonials.

There are just three games (1 set) to be played by each club except Fair Street, which is finished, and there are only two games between the first place team and the three tied for second place, and only one game behind them are two more clubs. So this week's games will juggle the standings all around and may produce a play-off for second place.

The Interfraternal Tournament League will resume play tonight at the Vets' Dugout. Dartball and ping-pong are the games scheduled. With two-thirds of the course already run the Knights of Columbus and the Elks are neck and neck in the race for first place, in both the dartball and ping-pong leagues. Tonight's matches will get underway promptly at 8:30 o'clock. Refreshments will be served following the games.

SOCIAL ACTIVITIES

SOCIETIES CLUBS PERSONALS

Blue Triangle Club Entertains Mothers

The members of the Blue Triangle Club of the Girl Reserve entertained their mothers at a mother-daughter banquet last evening at the Howard A. Lewis residence on West Chestnut street.

The 25 girls with their advisors, Mrs. Helen Sheldon and Miss Margaret Lewis, and their assistant advisors, Miss Llewellyn Gill and Miss Jane Rafferty, were hosts to eight mothers and a few friends.

The dinner table was most attractive with its centerpiece, which suggested a touch of spring, of forsythia, pussy-willows and pink roses. Elaborate favors which had been made by the club members, were at each place. These were white ruffled red hearts bearing a nose-gay of artificial flowers and an original verse. Each mother was also presented with a pink rose bud.

Short talks were made by Mrs. Howard A. Lewis, Mrs. Arthur F. Sheldon and Miss Lillian Herdman, Girl Reserve secretary.

During the evening a floor show of instrumental numbers, dances and recitations was presented by Dorothy Walters, Marcia Stone, Betty Salzman, Shirley Rose and Helen Eunist.

Mothers who were guests were Mrs. Samuel Stone, Mrs. Clarence Reichle, Mrs. Adam J. Salzman, Mrs. Earl C. Snyder and Mrs. Frank C. Walter.

Celebrated 25th Anniversary

On Saturday a group of relatives and friends gathered at McCabe's Restaurant to celebrate the 25th wedding anniversary of Mr. and Mrs. Beverly Sleight of Hasbrouck street. Port wine and covers were laid for ten. Those present were Miss Edith Lowe of Albany, sister of Mrs. Sleight, James O'Reilly, of Newburgh, Mrs. Margaret Sleight, mother of Mr. Sleight, Mr. and Mrs. John T. Groves, Mr. and Mrs. Sleight and their son and daughter, Beverly, Jr., and the Misses Kathleen and Hester Sleight.

Speaker Entertained

Last evening the officers of the Junior Group of Wiltwyck Chapter, D. A. R., entertained Mrs. Byron M. Fast at dinner at the Governor Clinton Hotel before the group meeting. Mrs. Fast is state chairman for junior membership and was the speaker at the group meeting later in the evening. Those present were Mrs. Floyd Ellsworth, chairman, Miss Alberta Davis, vice chairman, Miss Arnetta Raschke, secretary, and Mrs. Gertrude Ivory, treasurer.

Engagement Announced

At a tea held at her home, 563 Riverside street, Albany, Mrs. Samuel Lyman Munson, Jr., announced the engagement of her daughter, Miss Elizabeth Vandenberg Munson, to William Steete Schultz, son of the late Mr. and Mrs. Henry Herbert Schultz, of this city. Miss Munson was graduated from St. Agnes School, Albany, and Rollins College, Fla. She made her debut in Albany in 1934 and is a member of the Junior League. Mr. Schultz, whose grandparents were the late Mr. and Mrs. Charles Schultz of West Chestnut street, formerly lived in Kingston. He attended the Riverdale Country School and the Hedgesfield School at Hedgesfield, Tenn. For a year he has been in business in Albany.

Stock Exchange at Sorosis. Mrs. Julian J. Gifford entertained Sorosis club members Monday afternoon at her home on Wiltwyck avenue and also presented the paper for the day on "The Stock Exchange." She presented a history of the Exchange from its founding shortly after Washington's inauguration to the present system. She also explained in detail many of its intricacies and traditions. Two special prizes were given at the business meeting by Miss Lucinda Smith and Mrs. Theron L. Culver. Mrs. Culver told of the meeting to discuss plans for the proposed radio station in Kingston. Miss Merritt reported on the members' conference held last week at the Governor Clinton Hotel. The club will meet next week at Mrs. Culver.

Van Hovenberg-Ridge Word has been received here of the marriage at Jacksonville, Fla., of Mrs. Louise Ridge of Philadelphia, Pa., and Huyler van Hovenberg of this city.

Suppers-Food Sales The Sewing Circle of the Lutheran Church of the Redeemer will hold a cake and food sale Wednesday from 2 until 5 o'clock at the store of E. Walters, 86 House street.

MODES of the MOMENT

by Adelaide Kerr

Smart New Yorkers are wearing above their sober midwinter dinner frocks dinner hats as colorful as a spring crocus. Tiny ostrich plumes in chapeaux and bronze green tumble over the top of this felt one which Sally Victor designs to go places with a bronze crepe frock.

NEW, YOUNG "GLAMOUR" FROCK

MARIAN MARTIN

PATTERN 9950

A season of glorious possibilities is Spring... and here, girls, is a brand new Glamour Dress to make the most of them! Besides, Pattern 9950 is very easy to make, with its diagrammed Sew Chart ready to lift little worries of cutting and sewing right off your shoulders. These are unpreserved pleats nipping in at the perfection of bodice and skirt under the trim waist band (which gives a willow-wand slowness that's so smart!) Ever see scalloping used to prettier effect than here? If you want your dress to be still more individual—put lace edging at neck, sleeves, and at rippling hemline!

Pattern 9950 may be ordered only in misses' sizes 12, 14, 16, 18 and 20. Size 16, requires 5 1/2 yards 39 inch fabric and 5 1/2 yards lace.

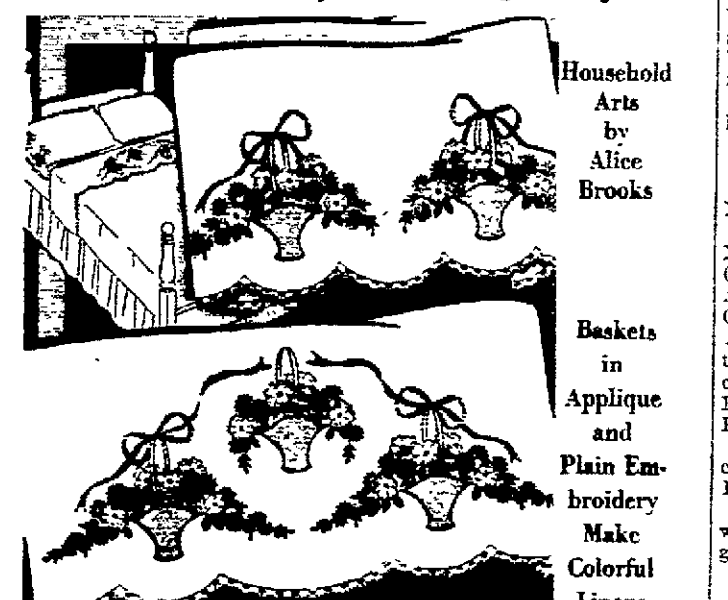

Send FIFTEEN CENTS in coins for this MARIAN MARTIN pattern. Be sure to write plainly your NAME, ADDRESS and CITY NUMBER.

Order the MARIAN MARTIN PATTERN BOOK of latest Spring fashions, and KNOW that your sewing program is off to a fine start! You'll be thrilled with the number and variety of patterns, including 39 for misses, 17 for junior misses, 17 for matrons, 19 for children. Such lovely things—showing it's a season for Color and Prints, for Basic Frocks and Budget Wardrobes! See easy-to-sew styles for graduations, weddings, dances and boat trips. See, too, plenty of everyday and stay-at-home clothes! BOOK FIFTEEN CENTS. PATTERN FIFTEEN CENTS. BOOK AND PATTERN TOGETHER TWENTY-FIVE CENTS.

Baskets in Applique and Plain Embroidery Make Colorful Linens

PATTERN 6311

It's such fun to have a bit of colorful embroidery under way—something that's going to add beauty to your home. Let these charming applique baskets dress up sheets and pillow cases, scarves, or towels. The posies and bows are lots of fun to embroider in simple lazy daisy, outline and single stitch—and there are a few French knots for variety. Pattern 6311 contains a transfer pattern of a motif 7x16 1/2 inches, two motifs 5 1/2x14 1/2 inches, and applique pattern pieces; illustrations of stitches; materials needed; color schemes.

To obtain this pattern send ten cents in coin to the Kingston Daily Freeman, Household Arts Dept., 259 W. 14th street, New York, N. Y. Be sure to write plainly your NAME, ADDRESS and the NAME of booklet.

on, which is 225 calories. In place of a chocolate soda, 375 calories, orange juice—only 100 calories and packed with vitamins.

At your meals, too, you can steer clear of fattening foods just as cleverly—and not miss a single course. Here's a typical delicious reducing dinner: Average serving lean roast beef, 1 good-sized baked potato, 1/2 cup green peas, 1/2 head lettuce with 1 teaspoon French dressing, 1/2 cup apple snow. In all those tasty dishes—only 423 calories.

You'll have plenty of protective foods—your calory chart shows. Milk, green vegetables, fruits, keep you young and firm-fleshed as you shed the pounds.

Bestor's Orchestra At K. of C. Ball

Grand Knight Joseph J. Murphy, chairman of the music and entertainment of the Knights of Columbus 20th annual charity ball which will be held in this city on February 17, announced this morning that Don Bestor and his nationally famous dance band will furnish music for the affair.

Don Bestor and his orchestra of 14 musicians are known throughout the country as one of the foremost exponents of dance music. He and his men have been heard over the air on countless occasions and have played in every city of importance in the United States.

The orchestra was featured on the Jello program and Jack Benny's "Play, Don't!" is remembered as an invitation which turned loose on the air lanes some of the finest dance tunes obtainable. The band will come to the Knights of Columbus ball direct from Log's State Theatre in New York city, where it will head a gala show there during the week February 9 to 16, closing the day previous to the ball.

The committee will meet tonight to select one of the Kingston orchestras which will alternate with Bestor in providing continuous dancing from 10 p. m. to closing time at 2 a. m.

Plastered With Names

Logansport, Ind.—Even a hospital couldn't stop 18-year-old Emileu Whitehead from collecting autographs.

Her back broken in an automobile accident last October 27, she was taken to the hospital and put in a plaster cast.

Her 300 visitors all have autographed the cast.

In Midst of Plenty

Kansas City—A man strode up to the cigar stand in the main postoffice lobby.

"Got a one-cent stamp?" he asked.

The clerk gulped, waved a hand at row of stamp windows.

"Oh," the man said.

Confidentially—

Salt Lake City—Police investigated a restaurant "bombing," stored their evidence at headquarters in a paper sack.

A few hours later they threw open all the windows and sealed up the evidence in a jar it consisted of stink bomb particles.

The Reception

WHEN the lamb had left, Rip felt a little guilty about his thoughts of Sweet Face. After all the lamb was as sweet as could be always in a good temper. He just wasn't a hard worker and that was what, whereas Rip loved to help Willy Nilly.

Christopher Columbus Crow walked down the bumpy Puddle Muddle hills toward the stream at the end of the pond and Sweet Face, the lamb, followed along.

"Mrs. Quacko, Mrs. Quacko," cawed Christopher.

"Here I am," quacked Mrs. Quacko, waddling up to the side of the bank. "I was just telling the ducks about keeping their webbed feet clean—when there is too much mud or dust around—and I was telling them how they must brush their wings, particularly when it's hot and dusty, and how they must polish their beaks."

"But we're having nice, clean walking now," cawed Christopher. "The snow is as white as can be. Suppose you give them their lesson in neatness later on and attend the reception Mrs. Quacko is giving."

"A reception?" quacked Mrs. Quacko excitedly. "Why I have nothing to wear that she hasn't seen before. Well, maybe I could fix up a little bonnet of moss and twigs and tie it on with some long grass I cut aside this fall."

"You'll be all right," cawed Christopher. "The reception is to be tomorrow afternoon and Mrs. Quacko said to tell you that the guest of honor was to be a Miss Puddle Duck."

"Miss Puddle Duck?" repeated Mrs. Quacko with interest. "I wonder if her relations once came from Puddle Muddle!"

"You'll find out soon enough," cawed Christopher. "I can depend on your duckish curiosity."

"Of course you're not in the least curious," quacked Mrs. Quacko. But she did not bother about any more talk. She wanted to get ready for the party.

Tomorrow—A Grand Arrival!

ARE YOU Thin, Weak?

WHEN you feel out-of-sorts and your stomach troubles, with gas or acid indigestion, Dr. Pierce's Golden Medical Discovery. If you are weak and need to put on healthy flesh, you will find this a delectable and reliable tonic which increases the appetite and improves the flow of a pure, invigorating blood.

"I'm 39, 59, 69, 79, 89, 99, and I'm very little and a very weak man," said a man who had been a weak and nervous man and was being cured by Dr. Pierce's Golden Medical Discovery. "I had no more appetite and then I gained weight. I am now a strong man."

Financial and Commercial

New York, Feb. 7 (AP)—While selling in today's stock market was termed "unimportant," there was enough of it to chip down leaders fractions to more than a point.

The ticker tape frequently was at a standstill in the apathetic session, with transfers at the rate of approximately 600,000 shares. A little support came in now and then, but it had only temporary buoying effect. Near the final hour prices were around the lows of the day.

Brokers attributed the indifferent performance partly to yesterday's failure of the market to follow through on the utility upsurge which came in the wake of the accord announced between the Commonwealth & Southern and the TVA.

In addition, those traders who occasionally suffer from foreign trepidations seemed inclined to stand aside and await a possible new European hiccup.

Business news was moderately cheerful.

Bonds were irregular, as were commodities and overseas securities markets.

Among stocks in arrears most of the time were Consolidated Edison, North American, Commonwealth & Southern common and preferred, American Water Works, U. S. Steel, General Motors, Chrysler, United Aircraft, Sperry, Santa Fe, Southern Pacific, Johns-Manville, Phelps Dodge and U. S. Rubber.

Sears Roebuck, Glenn Martin, Cerro de Pasco, Chesapeake & Ohio and International Telephone were resistant.

Modest set-backs in the curb were registered for American Gas, Lockheed, Bell Aircraft, American Cyanamid "B" and American Light.
